Note as per instructions:—

7 As regards the deputy directorship, it has been ordered in Govt order of 31-7-1920 that the post in question need not be filled for the present.

C.D. 282-19-4.

8 With regard to personal allowance, it may be stated that Mr. Sen was appointed on probation in January 1910 as Asst Geologist on Rs 300-40-500. He was drawing Rs 500/- when he was absorbed on 7-6-16 into the regular cadre of Assistant Geologists on $300-\frac{50}{3}-450$. He was therefore given Rs 450 + Rs 50 P.A. which was obviously granted to protect him from loss, when the pay of the office was changed.

Geol 80-19-1

9 It was represented in April last that, by the discontinuance of the personal allowance under the re-organization scheme, Mr Sen's substantive pay was considered by the comptroller to be Rs 450 instead of Rs 500 for calculating acting allowances, which resulted in a loss of Rs 50 p.m. to him & the Director therefore recommended that the personal allowance of Rs 50/- might be continued to Mr. Sen

under he was confirmed on a post carrying Rs 500/- and above.

Geol 00-19-2 10 In Govt order of 5-8-1920 his personal allowance of Rs 50/- has been ordered to be treated as part of his substantive pay for the purpose of calculating acting allowance due to him. He is now confirmed as Senior Geologist on Rs 500-25-600. Vide G.O. of 31-7-1 It is not known whether his representation now is that the personal allowance of Rs 50 may be continued to him even after his confirmation as Senior Geologist on 500-25-600.

In Government order No.G.7041-7100 Geol.69-18-11 dated the 18th September 1919 sanctioning the re-organization of the Geological Department, Mr.Sen, Assistant Geologist, was appointed to officiate as Senior Geologist on Rs.500-25-600 vice Mr.Sampatiengar appointed Deputy Director of Geology sub pro tem from 1st July 1919.

Mr.Sampatiengar was transferred to the University from 1st July 1920 as Professor of Geology and Mr.Sen was confirmed as Senior Geologist. (Vide G.O.No.187-89/C.B.282-19 dated 31st May 1920.

F and its enclosures

Mr.Sen states that he has been drawing a salary of Rs.500 from 1st January 1915 and requests that his appointment as Senior Geologist from 1st July 1919 may be made sub pro tem and that he may be started on Rs.525 in the grade from the same date. The Director of Geology supports Mr.Sen's request in view of the fact that he was drawing a salary of Rs.500 for a period of over 4 years prior to the re-organization of 1919.

Page 3 of office Notes

When the papers were submitted to me, I noted that the confirmation of Mr.Sen as Senior Geologist did not better his position and that the question of giving him one or two increments might be considered in Council.

Page 9 of -do-

The subject was accordingly considered in Council at the meeting held on the 10th March 1921 and the Council have resolved that Mr.Sen may be treated as Senior Geologist sub pro tem from 1st July 1919 and that he may be given an advance increment from

that date, ~~as~~ giving him a salary of Rs.525.

In connection with Mr.Sen's request, the Director of Geology recommends that Messrs: B.N.Venkataramayya and B.Balaji Rao, Offg. Assistant Geologists may also be made sub pro tem Assistant Geologists from 1st July 1919, and that the Government order No. 187-89/C.B.282-19 dated 31st July 1920 sanctioning the confirmation of Mr.Sen as Senior Geologist and of Messrs: B.N.Venkataramayya and B.Balaji Rao as Assistant Geologists and the appointment of Mr.B.Rama Rao as sub pro tem Assistant Geologist may be given effect to from 1st July 1920, the date of Mr.Sampatiengar's transfer to the University instead of from the date of the order viz., 31st July 1920.

All the above recommendations may be graciously approved.

Sir,

Adverting to Government Order No.1878/C.B.282-18-9, dated 31st July 1920, I have the honor to forward herewith, for favourable consideration and orders of Government, a copy of letter, dated 19th August 1920, from Mr. A.M.Sen, M.Sc., &c., Senior Geologist, requesting that his appointment as Senior Geologist from the 1st of July ~~1920~~ 1919 to the date of his confirmation ordered in the aforesaid Government Order may be regarded as sub-pro-tem instead of officiating and that he may be given an advance increment of Rs.25/- in the Senior Geologist's grade from 1st July 1919.

Reference para 7 of Mr. Sen's representation (1) for being made S.pt from 1.7.19 (2) for his pay being fixed at Rs 525 from this date

2. The scale of appointments sanctioned in Government Order No.G.7041-7100/Geol.69-18-11, dated 18th September 1919, provides for the entertainment of 1 Senior Geologist and 2 Assistant Geologists and as Mr. P. Sampat Iyengar, who permanently filled up the post of the Senior Geologist, was appointed Deputy Director, sub-pro-tem, there can be no objection to Mr. Sen being appointed Senior Geologist, sub-pro-tem, in place of Mr. Sampat Iyengar, from the 1st July 1919.

3. With regard to Mr. Sen's request for the grant of an

an advance increment to him in the Senior Geologist's grade, I am of opinion that notwithstanding the financial objection that may be raised under the Mysore Service Regulations, the request deserves consideration inview of the fact that Mr. Sen was drawing for as long a period as 5½ years a salary of Rs.500/- which is the minimum of the Senior Geologist's post.

which is Rs 50 more than the maximum of Asst Geologist's grade

4. With the appointment of Mr. Sen as sub-pro-tem Senior Geologist from 1st July 1919, Messrs. B.N. Venkataramaiya and B. Balaji Rao may also be appointed Assistant Geologists, sub-pro-tem, from the same date as recommended by Dr. W.F. Smeeth in his Note, dated 10th October 1919. These officers have been eagerly looking forward to this promotion from 1st July 1919, and I strongly recommend that it may kindly be sanctioned by Government as the rules and practice quite admit of the arrangement and the officers concerned naturally expect the same.

5. One other point I have to submit is about the date of the confirmation of Mr. A.M.Sen as Senior Geologist and Messrs. B.N. Venkataramaiya and B. Balaji Rao as Assistant Geologists, and also the appointment of Mr. B. Rama Rao as Assistant Geologist, sub-pro-tem. The Comptroller has taken it to be the date of the Government Order No.187-89/C.B.28-19-4 quoted above, i.e., 31st July 1920, but I beg to recommend that the confirmation and the appointment may be given effect to from the date of Mr. P. Sampat Iyengar's appointment as Professor of Geology, i.e., from 1st July 1920.

Mysore Geological Department,

Dated, Bangalore, 19th August 1920.

B. Jayaram, Esq., F.G.S.,
Director,
Mysore Geological Department,
Bangalore.

Sir,

I have the honor to bring the following matter to your kind notice and to request that you would be good enough to forward it with your recommendations to Government for their favourable consideration.

2 When I was appointed in the Mysore Geological Department in January 1910, I was given a grade of Rs.300-40/1-500; and I drew the pay of Rs.500/- from January 1915 to May 1916. Government in their order No.G.16526-7/Geol.36-15-1, dated 7th June 1916, while confirming me as Assistant Geologist fixed my pay at Rs.450/- with a personal allowance of Rs.50/-; and this I had been drawing all along from June 1916 to June 1919.

3 On the introduction of the present re-organization scheme of the Department, I have been drawing a salary of Rs.500/- from 1st July 1919 to June 1920 with Rs.450/- pay as Assistant Geologist and Rs.50/- as acting allowance for officiating as Senior Geologist.

4 According to Government Order No.G.7041-7100/Geol.69-18-11, dated 18th September 1919, the Comptroller informed me that I was entitled to draw salary at the rate of Rs.525/- per month with effect from 1st July 1920; and a copy of the Comptroller's memo is attached herewith.

5 In their recent order No.187-89/C.B.282-19-4, dated 31st July 1920, Government are pleased to confirm me as

Senior

Senior Geologist, vice Mr. P. Sampat Iyengar, M.A., appointed Professor of Geology in the Central College.

6 In reply to my D.O. letter to the Comptroller, he says my pay will not be changed by my confirmation as Senior Geologist, as I have already been drawing pay equal to one of the stages of the new appointment, viz,- Rs.525/- per month; and he also says that the confirmation will take effect from the date of the Government Order, namely, 31st July 1920 - as per copy of the Comptroller's D.O. letter appended herewith.

7 In consideration of the fact that I had been drawing a salary of Rs.500/- for 5½ years from January 1915 to June 1920 and of the increased responsibility attached to the post of Senior Geologist, in which I was appointed to act from the 1st July 1919, I beg that the Government may be graciously pleased to sanction my pay at Rs.525/- from the aforesaid date (i.e., with one increment of Rs.25/- in advance), the appointment being ordered to be sub-pro-tem, up to the date from which permanent arrangements have been sanctioned. This, if kindly sanctioned by Government, will entitle me to draw a pay of Rs.550/- from the date of my confirmation as Senior Geologist. It is most disappointing to me that my appointment as Senior Geologist was sanctioned as officiating instead of sub-pro-tem, although it is open to Government to order the latter arrangement at their pleasure. I hope, therefore, that my request will receive the kind and favourable consideration of Government.

8 I beg also to request that since Mr. P. Sampat Iyengar was transferred as Professor of Geology from the 1st July 1920, Government may be pleased to order my confirmation as Senior Geologist from the 1st July 1920 and not from the date of order, viz,- 31st July 1920, as stated by the Comptroller.

I have the honor to be, Sir,
Your most obedient servant,
Sd/ A. M. Sen,
Senior Geologist.
